**Unfinished Business:**

Motion brought up in August meeting by Howard Weinberg:

Whereas: Article II - purpose states:

"The purpose of the OPCL as a nonprofit organization is to operate exclusively for the mutual beneficial interest of the Ocean Park community. The organization shall bring together at frequent intervals, residents, business owners, property owners, and Ocean Park rescue squad representatives, who are interested in civic affairs, and through their joint efforts will promote good fellowship, betterment and improvement of the community with respect to beautification, recreation, sanitation, safety, and natural resource stewardship for the protection of property values of Ocean Park so it may continue and flourish as a community. The organization shall strive to inform residents of issues of neighborhood importance to provide a forum for discussion of concerns and to promote participation in public affairs, including encouraging members to register and vote in all local, state and federal elections."

I propose that the civic league take a stand on the rezoning of the Ocean Park Baptist Church property by opposing any change from R5D zoning as being against the above stated bylaws.
