FEBRUARY 2025

## Ocean Park Greetings

Hello neighbors,

The civic league goal is to enhance the quality of life in our neighborhood, the Shore Drive community, and the city through dedicated volunteer work. We remain steadfast in our 2025 priorities:

- Bringing residents together through fun social events, celebrations & meetings
- Safety—Traffic & crime (i.e. Lynnhaven Boat Ramp)
- Phase 4 — Prioritization of the long delayed Shore Drive Improvements and interim sidewalk project
- Appropriate residential development & support for our local businesses
- Safeguard our Ocean Park Beach , Lynnhaven Boat Ramp & Pleasure House Point Natural Area

City Council voted unanimously approving the Pleasure House Point Wetlands Mitigation Project on an expedited schedule. The project aims to restore eight acres of tidal wetlands and will demand residents stay connected and informed. We will communicate project details, schedules, and mitigation efforts as soon as they become clear. Your involvement and support will be key to ensuring safety and success.

We would like to sincerely thank all our volunteers, committee and board members for their exceptional and significant service.

Danny Murphy, President
