Our yearly dues have increased to \$25 a year. There was an issue with PayPal, but that has been resolved.

Government Affairs: Danny Murphy

-Danny highlighted upcoming meetings for **Friends of the Live Oaks (FOLO)**, **VB Council of Community Organizations (VBCCO)** and the **Bayfront Advisory Commission (BAC)** meeting. He noted that Bob Magooon was recently elected as president of the BAC and the new vice president is our own Andrea Lindemann.

-City of **VB comp plan** draft should be online for review.

-**PHP Wetlands Mitigation Bank Project** was approved at city council.

Danny highlighted what the subject matter experts at Lynnhaven River Now, FOLO and Chesapeake Bay Foundation have to say about the project and what they have requested from the city.

We can't confirm the number of trees to be removed. VB students have mentioned the number 5200. The city arborist will be studying the number as well. The city was scheduled to be at our meeting tonight to discuss but canceled on Monday. We will reschedule them.

-Danny has requested that OPCL be involved in the study and project.

-We have requested the haul plan.
