January 2024 Membership Meeting Minutes January 9th 7:00pm

The meeting was called to order at 7:01pm.

The pledge of allegiance was recited followed by a recognition of the passing of President Jimmy Carter.

The previous meeting minutes were approved after a motion by Shane Abell and a second by Tim Lindemann.

Treasurer's Report: Danny Murphy

Our yearly dues have increased to \$25 a year. There was an issue with PayPal, but that has been resolved.

We are working towards having dues paid at the beginning of the year. Thanks to everyone who has already paid!

Social Committee: Danny Murphy

Social committee meeting was held this week.

-Chili cook off will be held February 6th at OPVRS. It will be fun! The bluegrass band will be here, and we will be giving out some rewards. Please sign up if you can make chili, cornbread or dessert!

We are also looking for silent auction items.

-Please check out our social committee page on the website for more information on upcoming events.

-We are possibly having another wine event in March.

Government Affairs: Danny Murphy

-Danny highlighted upcoming meetings for **Friends of the Live Oaks (FOLO)**, **VB Council of Community Organizations (VBCCO)** and the **Bayfront Advisory Commission (BAC)** meeting. He noted that Bob Magoon was recently elected as president of the BAC and the new vice president is our own Andrea Lindemann.

-City of **VB comp plan** draft should be online for review.

-**PHP Wetlands Mitigation Bank Project** was approved at city council.

Danny highlighted what the subject matter experts at Lynnhaven River Now, FOLO and Chesapeake Bay Foundation have to say about the project and what they have requested from the city.

We can't confirm the number of trees to be removed. VB students have mentioned the number 5200. The city arborist will be studying the number as well. The city was scheduled to be at our meeting tonight to discuss but canceled on Monday. We will reschedule them.

-Danny has requested that OPCL be involved in the study and project.

-We have requested the haul plan.

-For more details visit pw.VirginiaBeach.gov

-**LOVE sign** is moving along. The location is Shady Oaks and Marlin Bay across from 7-11. This is a student led effort started in 2020 and is a BAC project. The artist is Seth Lubaton.

-2025 topics

-City budget and retreat.

-We want Phase 4 and the sidewalk plan to stay on top of mind.

-We want to make sure our concerns about the boat ramp, as the season is upcoming, are heard.

Old Business

-Danny would like to clean up the bylaws.

-Danny asked the membership for input on guest speakers for upcoming meetings. Please email president@opcl.org with ideas.

-Sandra Dawe asked for board meetings to be publicized, referencing the bylaws section 6. Danny offered to post meeting times. They are held Thursdays one week before the membership meetings.

The meeting was adjourned at 7:31pm.

Government Affairs: PHP Wetlands Mitigation Bank Project

Overview

- Pleasure House Point Wetlands Restoration Project aims to convert a 12.32 acre site as a tidal wetland mitigation bank for VB Flood Mitigation Projects
- Restore the area to its natural state before it was used as a dredge material spoil site

Project Goals

- Restore/create 6.22 acres of tidal vegetated wetlands and 1.78 acres of nonvegetated tidal wetlands.

Project Benefits

- Project will enable critical flood protection projects for necessary tidal wetland credits.

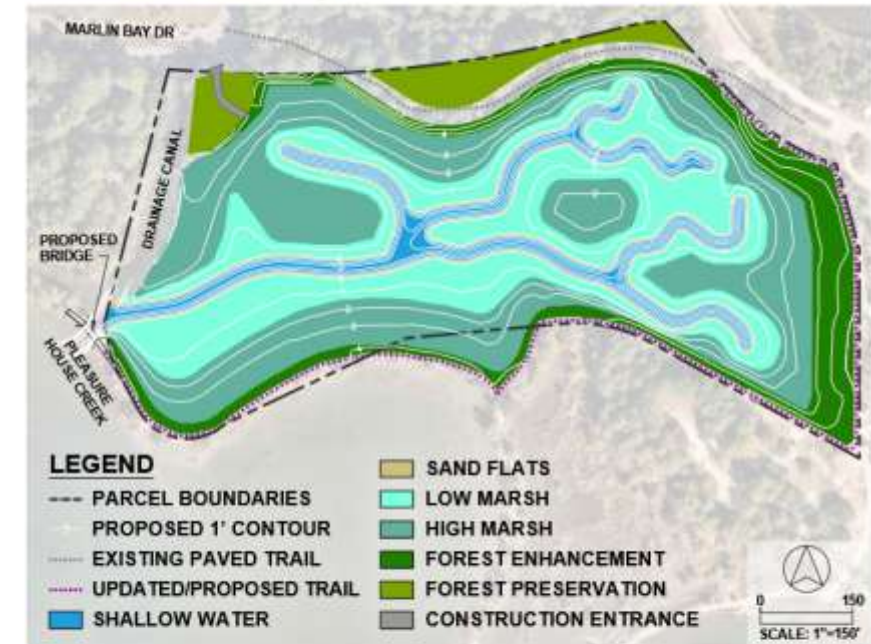

Project Funding

- Project cost is \$12.1 million, by reallocation \$11.6M 2025 Budget CIPs

Project Schedule

- Design completion: Nov– Feb 2025
- City Council Approval : Jan 2025 10-0 vote
- Virginia Marine Resources Commission Approval: Feb 2025 (unanimously)
- Construction: Mar-Oct. 2025?
- Long-term maintenance: Beginning October 2036

Restoration Site Map

The map above shows the boundary of the eight-acre project area that falls within the 108-acre Pleasure House Point Natural Area. It shows where the construction team will enter the project site through Marlin Bay Drive, the perimeter trail, where a pedestrian bridge will be

constructed, the low and high marsh, and where the project team will replant trees. This project will not impede access to fish in the Pleasure House Point Natural Area. Trail access throughout the site will remain for the public's use.

Government Affairs: Project Updates

Crab Creek Channel Dredging- Completed

- Maintenance dredging of Crab Creek Channel began in February.
- Aids recreational boaters traveling from the boat ramp to the Bay.
- Improves access to the wharf for the City waterway/Neighborhood Dredging vessels.

Structural Measure 1

- Similar to proposed engineered defenses in the Sea Level Wise Adaptation Strategy.
- Includes a surge barrier at Lynnhaven Inlet and dune fortification along the bay front. The alignment also includes a floodwall section along the western terminus.

Lynnhaven Inlet Measures

Structural Measure 2

- Includes a series of floodwalls, and several gate structures, including a gate proposed at the 'Narrows' where Broad Bay converges with Linkhorn Bay.

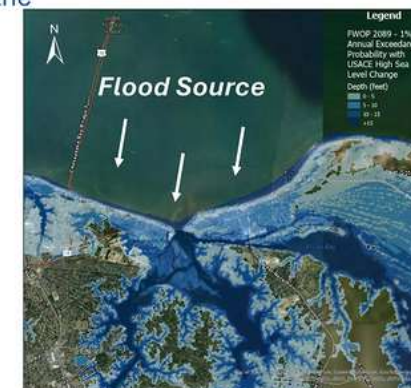

Structural Measure 3

- Similar to Structural Measure 1 but does not include a proposed dune/beach feature at JEB-Fort Story.

Flood Source

The flood source for the Lynnhaven Inlet Measures is the Chesapeake Bay. The flood source is denoted with white arrows on the inundation map.
